Product code 19060

High quality modular luminaire, ideal for spaces such as offices and corridors.

The PROLUMEN ceiling panel luminaire stands out due to its low UGR value, long lifespan, and adaptable installation and maintenance methods.

The driver of this luminaire is external - this feature simplifies installation and maintenance by allowing easier access.

The luminaire is designed to be as eye-friendly as possible. In addition to a high UGR value, the Backlit panel is flicker-free. The high lumen output ensures that surfaces are covered with quality and sufficient light.

Improve the quality of light in your everyday life and choose a top-notch lighting solution from <u>the LED</u> house product range!
