Track light Maytoni Focus Zoom DIM black 230V 12W 900lm IP20 TRIAC 930

Product code 19407

The Focus Zoom track luminaire is a modern lighting solution that combines rich functionality with a stylish design.

This luminaire is designed to provide accent and directional lighting in interior spaces. It is suitable for both residential and commercial areas. Made of high-quality materials, which makes it durable and reliable. It has a swivel mechanism that allows you to adjust the direction of light by 355 degrees. The recessed light source creates an anti-glare effect, and the design of the housing allows you to precisely adjust the light angle.
