The three light circles of the GROOVY ceiling light conjure up that certain something in your living area. The fine glass elements within the circles provide an elegant touch and become a true decorative element on your ceiling. An integrated SWITCH dimmer allows the brightness of the built-in LEDs to be regulated in three stages via a light switch. The perfectly shaped look in matt black blends into many interior styles thanks to its simplicity. In addition, the luminaires feature modern LED technology, which stands for a high quality of light.
