

Ceiling lamp Trio Lighting Mobile white 27W 3200lm IP20 switch dimmer

Product code 19449

Light objects in geometric shapes – a statement on the wall or ceiling! The swivelling modules of the MOBILE leave no design wish unfulfilled and offer creative arrangement options. Not only can the brightness be adjusted as desired via a remote control, but the colour temperature can also be controlled from cool white to warm white. Alternatively, the brightness can also be adjusted in three steps (100%, 50%, and 25%) via the integrated SWITCH dimmer using a conventional light switch. The night light function rounds off the luminaire wonderfully. The perfectly designed appearance in matt black and wood look blends in with many furnishing styles thanks to its simplicity. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
