

Table lamp Trio Lighting Leia nickel 5W 400lm IP20 RGB + 3000K RGBW warm

Product code 19462

Colour comes into play with the LEIA floor lamp. A colour from the RGBW spectrum can be selected using the included remote control so that your surroundings are transformed into the desired colour. In addition, the brightness can be continuously dimmed so that it can be individually adjusted depending on the lighting conditions. The tasteful and otherwise rather discreet design is a wonderful match for modern living spaces where clear lines predominate. The floor lamp has a height of 104 cm and should be placed prominently in the interior due to the colour effects. Next to the sofa or in the entrance area, it looks great both switched on and off. The chrome-coloured base and crystal cover create a modern contrast to the light colours and stylishly round off the overall look. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.

Correlated colour temperature	RGBW warm RGB + 3000K
Luminous flux	400lumens
Brand	Trio Lighting
Output	5W
Protection class	IP20
Height	400.0mm
Diameter	150.0mm
Casing colour	nickel
Casing material	metal + acrylic plastic
Work environment	indoor use
