

Facade luminaire Trio Lighting Garonne anthracite E27 IP44

Product code 19468

The perfect ambience in the outdoor area requires not only the right decoration, but above all beautiful lighting. Our GARONNE series goes perfectly with straight-lined outdoor furniture and provides pleasant lighting and a perfect ambience for relaxed summer evenings. Whether a well-lit entrance area, path to the house or garden or simply a simple wall and ceiling light for the balcony - the outdoor light has IP44 protection and can therefore be used flexibly. The anthracite-coloured die-cast aluminium supports the linear design and represents a stylish combination with modern elements in the outdoor area. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
