

Pendant lamp Trio Lighting Tubular black 30.8W 3850lm IP20 switch dimmer 3000K warm white

Product code 19487

The stylish design of the pendant light makes the TUBULAR an absolute eye-catcher. As targeted lighting above the dining table, the luminaire is particularly effective and ensures optimum lighting conditions. An integrated SWITCH dimmer allows the brightness to be adjusted from 100% to 50% and 25% using a conventional light switch. The 11-light pendant luminaire has a maximum height of 150cm. The individual light sources vary in length from 22 to 36 cm and can be shortened independently of each other to create a customised look. The pendant in matt black can be wonderfully integrated into modern living spaces and creates a pleasant atmosphere. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
