

LED bulb Trio Lighting 230V 5W 400lm GU10 switch dimmer 830

Product code 19501

The LED light source with GU10 socket is ideal for use in recessed spotlights. The brightness of the light can be easily dimmed in 3 stages using a conventional light switch. The surface of the light source is absolutely timeless in silver colour. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.

Correlated colour temperature	warm white 3000K
