

# LED bulb Trio Lighting 230V 4,9 WW 470lm E14 switch dimmer 830

Product code 19506

This LED light source with E14 socket has a warm white light colour and can be used in a variety of ways. The light also has a SWITCH dimmer, allowing the brightness to be adjusted from 100% to 50% and 25% using a conventional light switch. The white glass of the light source filters the light and emits it gently into the surroundings. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
