**LED module luminaire CAPRI 600x600 white 230V 25, 36, 40W 5200lm
CRI80 120° IP44/40 3000K, 4000K, 5700K 3CCT**

Product code 19538

Ceiling panel is a stylish and functional lighting solution, which fits perfectly into various indoor spaces, including homes, offices, and public areas.

The luminaire is made of high-quality materials, ensuring durability and long-term use

Replaceable LED module if necessary. This allows users to easily and conveniently replace the LED light source without replacing the entire luminaire or light bulb. Replaceable LED modules are more energy-efficient, have a longer lifespan, and offer different light temperatures and brightness levels according to the user's needs.

This ceiling panel is suitable for indoor use only, with IP20 protection class.

Improve the quality of light in your everyday life and choose a top-notch lighting solution from [the LED house product range](#)!

Correlated colour temperature 3CCT 3000K, 4000K, 5700K

Luminous flux 5200lumens

Luminaire's efficiency lm79 130lm/W

Warranty 5 years

Supply voltage 230V

Power factor 0.90

Output 25, 36, 40W

Maximum output 40W

Lens angle 120°

Cri 80

Protection class IP44/40

Lifespan 50000h

Length 595.0mm

Width 595.0mm

Height 32.0mm

Weight 1250g

In package 90pcs

In box 6pcs

Casing colour white

Casing material aluminum + plastic

No. of switches 30000times

Work environment indoor use

Operation temperature -20° - +45°C

Certificates CE, SAA, RoHS,

Energy class
