

Ground light Trio Lighting Melo 30 cm päikesepatareiga 0,5W 30lm RGBW IP67

Product code 19541

Solar lights use only the power of the sun to generate light. They are a practical solution for outdoor areas, as they do not require sockets or a connection to the mains. Combined with modern LED technology, solar lights provide ideal lighting for your home and garden. Simply place the light where light is needed. The round MELO solar light creates an atmospheric ambience and inviting lighting accents around the house thanks to its integrated RGBW colour changer. It is controlled via a switch on the light and the included remote control. With an IP65 protection rating, the light is dustproof and protected against water jets. The solar light has a burn time of 6 hours and a charging time of approx. 8 hours. The neutral design in white, allows an easy integration into your garden and sets additional modern accents.
