

Bollard light Trio Lighting Kaveri anthracite GU10 IP44

Product code 19542

Reduced design and classic shape – that is our outdoor luminaire KAVERI. Placed in the entrance area, garden or on your terrace, the timeless luminaire provides an inviting ambience and optimal lighting conditions. Thanks to the weather-resistant die-cast aluminium and the IP44 protection rating, the path light is protected against splashing water and is therefore suitable for outdoor use. The stylish anthracite colour scheme will enhance your outdoor space with modern colour accents. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.

Brand	Trio Lighting
