

Control panel SKYDANCE TL4-4 4 zone battery-powered RGB/RGBW white IP20 RF

Product code 19614

The TL4-4 control panel is a battery-powered wall-mounted touch remote that allows convenient control of multiple lighting zones. The device is suitable for both RGB and RGBW LED strips, enabling adjustment of brightness and colors. Its compact and stylish design complements the interior and makes lighting control easy and flexible.
