

## Ceiling lamp Trio Lighting Indira white 28W 3500lm IP20 830

Product code 19674

The INDIRA luminaire combines direct and indirect lighting – three light elements direct the light downwards and two upwards. The adjustable elements allow you to change the light direction, and the SWITCH dimming function enables three brightness levels with a standard switch. The luminaire can be mounted on the ceiling or wall, making it ideal for hallways and kitchen areas. The matte black metal and high-quality acrylic ensure a modern look, while LED technology provides a long lifespan and low heat emission.

Correlated colour temperature warm white 3000K
