## **Bollard light Deko-Light Faro 100 gray 24W 1030lm IP65 DALI 830**

Product code 19704

emergency power capable (180-264 V/DC EOFI: 100 %)

The solid FARO bollard lights made from die-cast aluminium are available in the sizes 25, 60 and 100 cm. Their design [more than 97 % of light directed downwards] and lens optics allow glare-free light distribution and a particularly large light beam of up to 10 metres in diameter. All variants are also DALI2 DT6 compatible. The FARO models can be equipped with an optional screening shade to illuminate surfaces on one side only. The IP68 connection box with possible feed-through wiring and the dirt-repellent powder coating in DB703 make the FARO bollard lights a long-lasting and high-quality choice for your outdoor lighting.
