ARCO inspires with its integrated Rainbow effect that reflects the rainbow in all its colours. In addition to the RGB colour changer, the light colour and brightness can be easily adjusted via remote control. In the simple and modern look, the ceiling light easily finds a place in any living room. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.
