

Socket Trio Lighting Garden gray IP44

Product code 19984

No more extension cables. The STECKDOSENSTEIN now provides sufficient power connections in the garden. The stone offers four sockets and therefore provides a great deal of flexibility when designing the outdoor area. Thanks to its IP44 protection rating, it is protected against splash water and is therefore suitable for outdoor use. Thanks to the grey colour scheme, the stone can be integrated inconspicuously into the garden.

Brand	Trio Lighting
Protection class	IP44
Length	200.0mm
Width	190.0mm
Height	200.0mm
Weight	4 kg
Package weight	4.4 kg
Casing colour	gray
