

Facade luminaire Trio Lighting Kansas anthracite 10W 1000lm IP54 3000K warm white

Product code 19993

The KANSAS outdoor light is the perfect companion with a clear view. The simple design of this wall light focusses entirely on functionality. The tiltable lampshade allows you to customise the light beam according to your needs to create the ideal light for gardens, patios or entrance areas. With an IP54 protection rating, the luminaire is also protected against dust deposits inside and splashing water on all sides. The purist design made of die-cast aluminium and the anthracite colour scheme set modern accents in your outdoor area. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
