

Floor lamp Trio Lighting Tico white 8W 700lm IP20 RGB + 3000K RGBW warm

Product code 20010

Design, functionality and elegance. The TICO floor lamp creates lighting accents and gives your living space a cosy ambience. The dimming function allows you to adjust the brightness individually and adapt it to your needs. The floor lamp also has an integrated RGBW colour changer, which is controlled using the remote control supplied and allows the light colours to be set to red, green, blue or white. The shimmering starlight effect makes the 104 cm high TICO floor lamp with fabric shade a real eye-catcher. The chrome-coloured plastic housing of the luminaire is encased in a white fabric that appears in red, green or blue depending on the colour setting. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
