

Floor lamp Trio Lighting Rico white 8W 700lm IP20 DIMMABLE RGB + 3000K RGBW warm

Product code 20012

Simple design - exciting lighting result. The minimalist design of the RICO floor lamp leaves room for practical functions and a dreamlike play of light with a star motif. Equipped with an RGBW colour changer, the luminaire can be dimmed and the light colour individually adjusted using an enclosed remote control. The light also has a built-in memory function so that the last selected light setting is saved and used again when the light is switched on again. Whether in the children's room, in the party room or in the living room, the floor lamp unfolds its full effect in the dark and provides exciting lighting accents. When switched off, the floor lamp has a simple appearance and is made of white acrylic and a chrome base. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Correlated colour temperature	RGBW warm RGB + 3000K
Luminous flux	700lumens
Brand	Trio Lighting
Dimmable	dimmerdatav
Output	8W
Protection class	IP20
Height	1000.0mm
Diameter	150.0mm
