

## Floor lamp Trio Lighting Sydney white 22W 2500lm IP20 DIMMABLE 3000K warm white

Product code 20027

With its eye-catching and modern look, the SYDNEY LED floor lamp completes any stylishly furnished home and quickly becomes the centrepiece of the entire interior. The round base of the light ensures that it stands firmly, and the supply cable has a practical foot dimmer. This allows you to create different atmospheres in the room as required. Sydney fits particularly well in the living room as a companion for cosy reading evenings on the sofa. The spiral-shaped lampshade rotates around its long, straight frame. The lamp has a total height of 162cm. The mix of chrome-coloured surface and acrylic creates exciting contrasts. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
