MAYTONI

# Rechargeable table lamp Maytoni AI Collaboration black / gray 3W 120lm CRI80 120° IP20 switch dimmer 2200K, 3000K, 4000K 3CCT

Product code 20037

AI Collaboration is a project that opens new horizons for creative ideas. AI-based image generator programs create hundreds of images, most of which are not suitable to be used as prototypes for real products. However, an experienced designer can transform these unsuccessful attempts into unique creative ideas. One such collaboration resulted in the concept of a table luminaire. Initially, the AI created impractical images of luminaires, so a different approach was chosen. Based on the designer's prompt, the AI produced renderings of unusual glass vases, with their silhouettes becoming the foundation for the luminaire's design. This led to the creation of one of the world's first luminaires designed with the help of AI! The portable luminaire can stay on for up to 8 hours (charging cable included). Its stable, wide glass base can hold fresh flowers or even entire mini ecosystems. The luminaire can be disassembled for cleaning the vase. A convenient touch switch is located at the top of the diffuser. Four color options make it suitable for any interior. It's perfect for both homes and restaurants. A version of the luminaire features a thin metal stem.

|---|---|
| Correlated colour temperature | 3CCT 2200K, 3000K, 4000K |
| Luminous flux | 120lumens |
| Warranty | 3 years |
| Brand | Maytoni |
| Dimmable | switch dimmer |
| Output | 3W |
| Lens angle | 120° |
| CRI | 80 |
| Protection class | IP20 |
| Lifespan | 50000h |
| Height | 348.0mm |
| Diameter | 130.0mm |
| Weight | 630 g |
| Package weight | 1.02 kg |
| Casing colour | black / gray |
| Casing material | metal + glass |
