MAYTONİ

Rechargeable table lamp Maytoni AI Collaboration gold 3W 120lm CRI80 120° IP20 switch dimmer 2200K, 3000K, 4000K 3CCT

Product code 20038

AI Collaboration is a project that opens new horizons for creative ideas. AI-based image generator programs create hundreds of images, most of which are not suitable to be used as prototypes for real products. However, an experienced designer can transform these unsuccessful attempts into unique creative ideas. One such collaboration resulted in the concept of a table luminaire. Initially, the AI created impractical images of luminaires, so a different approach was chosen. Based on the designer's prompt, the AI produced renderings of unusual glass vases, with their silhouettes becoming the foundation for the luminaire's design. This led to the creation of one of the world's first luminaires designed with the help of AI! The portable luminaire can stay on for up to 8 hours (charging cable included). Its stable, wide glass base can hold fresh flowers or even entire mini ecosystems. The luminaire can be disassembled for cleaning the vase. A convenient touch switch is located at the top of the diffuser. Four color options make it suitable for any interior. It's perfect for both homes and restaurants. A version of the luminaire features a thin metal stem.

Correlated colour temperature	3CCT 2200K, 3000K, 4000K
Luminous flux	120lumens
Warranty	3 years
Brand	Maytoni
Dimmable	switch dimmer
Output	3W
Lens angle	120°
CRI	80
Protection class	IP20
Height	348.0mm
Diameter	130.0mm
Weight	630 g
Package weight	1.02 kg
Casing colour	gold
Casing material	metal + glass
Work environment	indoor use
