

MAYTONI

Table lamp Maytoni Splash gold / amber 9W 360lm 360° IP20 830

Product code 20062

The Splash series embodies dynamic design and modern lighting aesthetics. The double-glass lampshades align with trends in minimalism and production efficiency, adding a bold touch of style to your interior. The series includes single pendant and table luminaires that strike a perfect balance between form and function. The outer lampshades come in two sophisticated finishes: transparent and galvanized grey with a striking gradient effect, creating deep, rich lighting. An LED light source with a color temperature of 3000K ensures warm, inviting illumination. Elegant satin gold fittings enhance the luxurious appeal of the series. The pendant luminaires feature an adjustable wire length of up to 3 meters, making them ideal for rooms with high ceilings. Splash is modern lighting artistry at its finest.

Correlated colour temperature warm white 3000K
