MAYTONİ

Pendant lamp Maytoni Cabaret brass 8W 850lm 120° IP20 830

Product code 20166

The Cabaret collection of luminaires is the result of a collaboration between the Pierre Gonalons design studio and Maytoni of Germany. It embodies the atmosphere of a modern-day cabaret: an artful space of lighthearted genres replete with refined details. The smooth lines of the luminaire's metal base are inspired by the elegant rhythm of dance and the perfect proportions of high fashion. The transparent glass lampshade's outline follows the image of graceful nudity and the airy dynamics of weightless textiles. The centrepiece of the series, the table luminaire, sets the subdued atmosphere of a cosily illuminated table, brimming with the anticipation of a breathtaking show. The Cabaret luminaires charm with the refined atmosphere of a chamber theatre performance and a story for a sophisticated audience. The pendant, wall, table, and floor luminaires of this series inspire your very own light, ironic, and spectacular interior show with an impeccable performance. The combination of fine craftsmanship, classic materials, and cutting-edge lighting technology will help even the most austere space take on an easy-going attitude toward life.
