MAYTONİ

1-phase track light Maytoni Unity Zon black 230V 12W 840lm 110° IP20

Product code 20183

Their design is modern and minimalistic, making them suitable for various interior styles. These lights are made of high-quality materials for durability and a stylish look. They provide powerful and even illumination thanks to the wide dispersion angle. The luminaires are available in an elegant black color. Their flat design fits perfectly into a track system and is easy to mount. LED light sources come in two classic color temperatures: 3000K and 4000K, to create the perfect atmosphere for you. They use energy-efficient technologies to help reduce your energy costs. The lights are exclusively compatible with the Unity track system for ease of installation. The product is covered by a 5-year warranty, and we offer technical support.
