Product code 20219

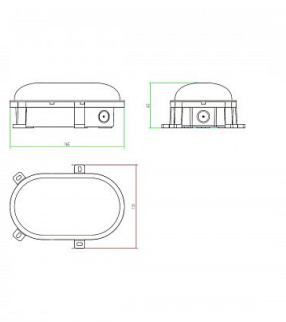

The SOTANO series - a classic cellar light in a modern design with LED technology. This incredibly versatile and robust light is the perfect solution for a wide range of applications. The cellar light is extremely flexible thanks to a 3,000/4,000 K CCT switch and 4.5/7.5 W power switch that allow the light colour and output to be adjusted according to the application and requirements. The cable entries on multiple sides enable flexible and simple installation. The light is also robust and durable thanks to its IP54 protected housing, impact resistance according to IK08 and impressive service life of 72,000 hours according to L80B10.
