

Bollard light Deko-Light Chertan gray 13W 640lm IP54 930

Product code 20227

With its extraordinary mix of materials consisting of die-cast aluminium housing and base made of weather-resistant, fibreglass-reinforced concrete, the CHERTAN outdoor standing light certainly stands apart from other models just on looks alone. With its pleasantly warm white light and light emission angle of 120°, the outdoor light is perfectly suited for decorative use in entrance areas, on paths or in the garden.

Note: As concrete is a natural product, every surface is unique and forms a distinct patina over time, depending on local conditions. It is therefore normal in wet conditions for a blotchy surface to form that disappears again when dried, yet produces an individual patina over the long-term.
