

Facade luminaire Deko-Light Alkes S gray 21W 920lm IP65 830

Product code 20234

The ALKES series is not a traditional wall-mounted light, but, with its SMD-LED panel, has floodlight similarities. The highlight: the upper housing part is tilted forwards 45° from the façade to direct the warm white light in a targeted manner onto the surface to be illuminated. In addition, the ALKES also looks great when switched off with its modern design and rounded edges.
