

Recessed light Trio Lighting Core white 5W 450lm IP20 830

Product code 20478

The secret of TRIO recessed luminaires is: timeless.flexible.design-orientated. With the right recessed luminaires, stylish accents can be set and an atmospheric ambience created. The recessed spotlights in the CORE range can be used in a variety of ways - whether as ambient lighting or for targeted accentuation of selected areas. The light source is interchangeable, giving you the option of choosing your personal favourite from switchable and dimmable light sources for wide-area or directional light. The design is timeless and blends easily into a variety of interior styles. The CORE recessed spotlight has a diameter of 8.2 cm and requires a ceiling cut-out of 68 mm and an installation depth of at least 50 mm. Thanks to the matt white colour scheme, there are numerous possible combinations. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
