

Rechargeable table lamp Trio Lighting Maxima white 3W 250lm IP20 3000K warm white

Product code 20499

Clever, cordless and extremely practical. The MAXIMA rechargeable luminaire is a true functional marvel. Simply combine the magnetic lamp head with the stand, wall mounting or clamping device as required. This means it can be used easily and at any time wherever light is needed without having to rely on a power connection. You can also switch the light on and off via an integrated touch dimmer and adjust the brightness in three levels. The MAXIMA can be charged quickly and easily using the USB-C charging cable supplied. The modern design in white makes the light timeless and its versatility means it can be used anywhere in the home. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
