

MAYTONI

Pendant lamp Maytoni Cascade gold 230V 6W 700lm CRI80 120° IP20 2600K, 3500K

Product code 20535

The Cascade collection features pendant luminaires offered as single fixtures or preconfigured compositions with five or seven light sources on a shared base. The elongated shades, housing integrated LED light sources, are available in black or brass colors. Their sleek silhouette visually elongates the room, introducing a rhythmic flow into the space. Thanks to the adjustable cords, these luminaires are also perfectly suited for spaces with high ceilings.
