

MAYTONI

Track light Maytoni Yin DIM white 15W 1359lm 24° TRIAC 2700K-4000K warm + day white

Product code 20582

The Yin track luminaire is a contemporary lighting solution that is perfect for adding accents to any interior.

It is designed to provide directional light for exhibition spaces, stores, and living areas. This light is made of high-quality aluminum for durability and a stylish design. Options include 3000K and 4000K light temperatures. The light has a 24° beam angle and supports Triac dimming. It is available in a range of neutral and vibrant colors to match any interior design. The product is covered by a 5-year warranty, and we offer technical support.
