

MAYTONI

Picture light Maytoni Fino chrome 12W 860lm 120° IP20 830

Product code 20587

This series is intended for illuminating specific interior elements and decorative objects. The compact, minimalist housing is made of chrome-plated metal. A swivel joint allows precise adjustment of the light direction. The integrated LED module emits light that is gently diffused by the specially engineered polycarbonate (PC) diffuser, ensuring soft, even illumination. The series includes models of varying lengths and wattages to suit different applications.
