MAYTONI

Wall light Maytoni Light stick gold 10W 750lm 120° IP20 830

Product code 20611

The Light Stick collection features minimalist luminaires that fill spaces with soft, reflected light. The slender metal frames with galvanic finish are offered in two colors: satin brass and textured black. An acrylic diffuser covers the LED light source, providing glare-free, comfortable illumination. The wall-mounted fixtures feature simple, understated shapes that blend effortlessly into any interior. Pendant compositions can serve as supplemental or secondary lighting. The integrated LED source delivers warm light at 3000K. The suspension height of the pendants is adjustable, with a maximum cord length of 3.5 meters, making them ideal for rooms with high ceilings.
