The simple FABRIZIO wall light adapts effortlessly to any area of application and is ideal for damp rooms such as the bathroom thanks to its IP44 protection rating. Its elongated, swivelling design makes it the perfect choice for placement next to or above the mirror in the wash area, where it creates stylish accents. The light colour can be conveniently adjusted using a switch directly on the luminaire. FABRIZIO is also equipped with a sensor dimmer and a practical memory function. The combination of chrome-coloured aluminium and white plastic blends harmoniously into any bathroom design.
