

Pendant lamp Trio Lighting Helios black 28W 3300lm CRI80 IP20 switch dimmer 2700K-6000K warm + cold white

Product code 20676

The HELIOS pendant light will become the centrepiece of your dining area. The clear and modern lines of the light bring a stylish flair to your home, which is emphasised by the up and down lighting. The practical height adjustability of the HELIOS is particularly worth mentioning. Another highlight is the integrated 4-fold touch function. Both the brightness levels and the light colour can be adjusted as required simply by touching the light. The matt black colour design is a real eye-catcher in your interior design concept. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
