Product code 20689

The DARVIN pendant light is a real eye-catcher for any living or dining room. Its unique design creates an artfully curved strand and sets new standards. The high-quality LED strip not only enhances the aesthetic effect, but also provides efficient and pleasant lighting. The light colour and brightness can be conveniently and infinitely adjusted using a conventional light switch to create the optimum room lighting according to requirements or the time of day. This successful combination of creative design and modern lighting technology makes DARVIN a versatile element that both sets visual accents and fulfils the highest functional requirements. With its elegant gold-coloured appearance, the luminaire blends timelessly and modernly into any environment and also contributes to energy efficiency. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
