Product code 20698

Karizma Luce Linea-Q1/Q2 S Opal is a discreet linear luminaire for 48V track systems, designed to bring soft, ambient lighting to refined interiors. With a compact 218mm length, it fits both the Q1 Mini (surface-mounted or suspended) and Q2 High (surface-mounted, suspended, or trimless recessed) track systems from Karizma Luce.

Unlike the Lente version with focused beam angles, the Opal version features a frosted diffuser that spreads light gently and evenly across the space. The 90° beam angle creates a smooth line of light, ideal for hallways, quiet seating areas, boutique retail, and architectural spaces where atmosphere and integration matter.
