Mirror D600 round 230V 18W 1200lm 930

Product code 20811

Round LED backlit mirror that creates a soft and even halo of light on the wall. The moisture-resistant LED strip placed around the perimeter directs the light outward from the edges, creating a modern and elegant overall look. Ideal for bathrooms, hallways, or bedrooms where a practical mirror and pleasant ambient lighting are desired.
