MAYTONI

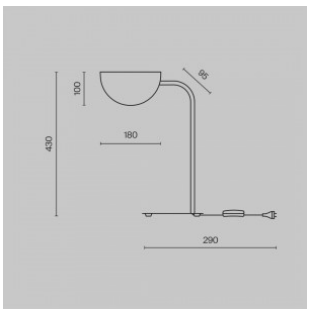

Table lamp Maytoni Mollis black G9 IP20

Product code 20822

The Mollis collection is more than a design - it’s a philosophy of minimalism reflected in the straight lines and strict forms of its luminaires. The soft contours of the metal frame combined with the warm glow of acrylic lighting gently soften the sharpness of the geometry, emphasizing simplicity and a sense of freedom. The collection includes table lamps, wall sconces, floor lamps, and pendants. Its unified, coherent design makes Mollis an ideal complement to high-tech, minimalist, and contemporary interiors.
