

Dome light Trio Lighting Paolo H20 white 230V 15W 1500lm IP44 830

Product code 20825

The round PAOLO ceiling light impresses with its simple design, which adapts wonderfully to different living areas. The modern luminaire provides customised lighting effects and pleasant illumination for your living space. The luminaire also impresses with its IP44 classification and is therefore protected against splashing water. For this reason, the PAOLO is ideal for lighting your bathroom. Alternatively, it can also be used in your living room or bedroom. The white acrylic cover blends easily into existing colour schemes. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
