1-phase track light Maytoni Unity Basis Rot white 230V 10W 620lm 30° IP20 930

Product code 20840

The solution is perfect for illuminating homes and workplaces, creating a warm ambiance. Its contemporary, streamlined aesthetic is versatile for diverse spaces. The light's high-quality aluminum housing ensures reliability and durability. It features a swivel mechanism for directing the beam and a recessed light source with classic 3000K and 4000K color temperatures. Its streamlined and efficient design seamlessly fits into ceiling installations. The recessed light source offers soft and evenly distributed illumination, while the swivel mechanism lets you adjust the light angle as needed. The light consumes very little energy and will last for a long time. The solution is compatible with the Unity track system, making it easy to install and integrate into existing lighting architecture.
