MAYTONI

Pendant lamp Maytoni Erich 8 brass E14 IP20

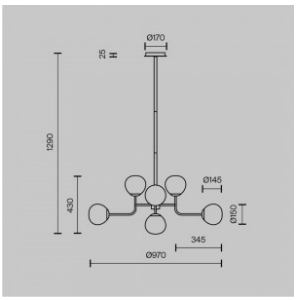

Product code 20857

The blown white glass shades resemble luminous pearls encased in matte bronze or nickel-colored metal frames. The series offers a variety of models in different sizes and applications, suitable for both general and task lighting. Functional design allows for adjustable shade positioning on both the floor lamp and table lamp. The height of the pendants can be customized via the adjustable cables. Chandeliers feature a central rod composed of three sections, allowing height adjustments to suit any space. Ceiling-mounted models further expand the collection’s versatility, making it suitable for rooms with varying dimensions and ceiling heights.
