

Ceiling lamp Trio Lighting Corso black 36W 4600lm CRI80 IP20 switch dimmer 2700K-6500K

Product code 20867

The CORSO wall and ceiling light brings luminous art, consisting of purist lines, into your home. The individually swivelling elements turn the luminaire into a versatile light source with a wow effect that stylishly enhances your living room or hallway. Thanks to a remote control included in the scope of delivery, the brightness and light colour can be individually adjusted. Alternatively, the brightness can be set in three stages (25%, 50%, 100%) using a conventional light switch, allowing you to create different lighting moods. Focussed on basic geometric shapes and individuality, the CORSO ensures that your interior is a luminous eye-catcher. The simple colour scheme in matt black draws the focus to the design language and functions of the light and easily combines the independent decorative element with existing furnishing styles. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.

Luminous flux	4600lumens
Brand	Trio Lighting
Dimmable	switch dimmer
Output	36W
Cri	80
Protection class	IP20
Length	600.0mm
Width	660.0mm
Height	100.0mm
Weight	1.1 kg
Package weight	1.5 kg
Casing colour	black
Casing material	metal
No. of switches	15000times
Work environment	indoor use
