

Dome light Trio Lighting Moonika 230V 15W 1500lm IP44 830

Product code 20868

The moon is within reach! The MOONIKA ceiling light fascinates with its unique moon cover and conjures up impressive lighting moods in your bedroom or children's room. An additional highlight of this special light is its IP44 classification, which means that the light is protected against splashing water and can therefore also be used in damp rooms. The cover of the ceiling light is made of white plastic, which looks like the surface of the moon. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
