

Ceiling lamp Trio Lighting Crystel 5 chrome E14 IP20

Product code 20869

Pure elegance! The characteristic CRYSTEL ceiling light becomes an eye-catcher in your living area thanks to its tasteful design language and gives your rooms an individual charm. Unilluminated, the glass shade comes to the fore, but as soon as the light of the CRYSTEL is switched on, it shines in new splendour. When illuminated, the otherwise mirrored glass becomes transparent and the integrated glass elements become visible, creating an atmospheric ambience through light reflections. The elegant appearance of the lamp with chrome vapourised glass enhances your home and becomes a true decorative element. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
