

Ceiling lamp Trio Lighting Vapore 5 G9 IP20

Product code 20872

Characteristic luminaires such as those in the VAPORE range lend a room elegance and individual charm. When unlit, the chrome-plated glass shade takes centre stage, but as soon as the VAPORE light is switched on, it shines in new splendour. When illuminated, the otherwise mirrored glass becomes transparent and the integrated glass drops become visible. The contrast of material, colour and playful details makes the luminaire unique and gives the room a warm and mysterious atmosphere. The ceiling light has a diameter of 40 cm and a height of 22 cm.
