

## **Pendant lamp Trio Lighting FLY black 32W 3900lm IP20 switch dimmer 3000K warm white**

Product code 20878

Illuminating the dining room in an atmospheric yet sufficiently bright way requires a special and modern lighting concept. The curved FLY pendant light, which forms the centrepiece of any dining area, creates a perfect balance between functionality and design. With the integrated SWITCH dimmer, you can conveniently adjust the brightness in three levels (100%, 50% and 25%) using your conventional light switch, immersing your room in an artistic play of light with a statement. Enjoy atmospheric lighting and make your dining area your favourite place for enjoyable lighting effects! The combination of the curved design and a black matt surface gives the FLY pendant light a very special touch. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
