

Ceiling lamp Trio Lighting FLY black 22W 2600lm IP20 switch dimmer 3000K warm white

Product code 20879

Illuminating the living or sleeping area in an atmospheric yet sufficiently bright way requires a special and modern lighting concept. The curved FLY ceiling light, which forms the centrepiece of any room, creates a perfect balance between functionality and design. With the integrated SWITCH dimmer, you can conveniently adjust the brightness in three levels (100%, 50% and 25%) using your conventional light switch, immersing your room in an artistic play of light with a statement. Enjoy atmospheric lighting and make your home your favourite place for enjoyable lighting effects! The combination of the curved design and a black matt surface gives the FLY ceiling light a very special touch. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.

Correlated colour temperature	warm white 3000K
Luminous flux	2600lumens
Luminaire’s efficiency	118lm/W
Brand	Trio Lighting
Dimmable	switch dimmer
Output	22W
Maximum output	22W
Protection class	IP20
Lifespan	25000h
Width	400.0mm
Height	75.0mm
Weight	800 g
Package weight	1.3 kg
Casing colour	black
Polishing	matt
No. of switches	15000times
Work environment	indoor use
